WELCOME

Set in the heart of vibrant Wembley Park, London, The Drum Conference and Events Centre offers unrivalled facilities capable of hosting a wide range of events from a small meeting for 10, to an extravagant function for over 800 guests.

Opened in 2013, The Drum is located in the Brent Civic Centre and is officially recognised as one of the most environmentally friendly public sector buildings in the United Kingdom and has received and 'outstanding' BREEAM accreditation.

All of our conference stationery including pens, notebooks and coasters are responsibly sourced to minimise environmental impact.

THE CONFERENCE HALL

By day The Conference Hall is flooded with natural light from a stunning glass lantern centrally located in the roof and can be hired with or without a large, digital display - great for presentations or film screenings.

The Conference Hall is suitable for conferences, exhibitions, product launches, filming, and larger meetings. The space can accommodate up to 150 guests depending on room layout.

Eight Boardrooms surround the Conference Hall and these offer maximum flexibility for events that require more space for meetings, breakout sessions, and workshops or just as additional space to compliment your event.

THE BOARDROOMS

Our boardrooms offer fantastic flexibility with the ability to connect up to four rooms thereby offering a flexible space accommodating any event from 8-100 guests.

These spaces are well suited to workshops, lunches, a press conference, broadcasting space or a simple meeting. Boardrooms compliment the use of the Conference Hall perfectly as they offer direct access from the space providing greater functionality for medium sized conferences or events.

Four of our boardrooms boast views of the Wembley Arch and Square and feature direct access to a vast outdoor terrace which is perfect for taking a break between meetings or during warmer months, can be used as an outdoor entertainment space.

All of our boardrooms are equipped with 65" screens with wireless connectivity for laptops and mobile devices resulting in a more efficient and professional experience.

THE GRAND HALL

Our Grand Hall is a stunning, double-height circular space that lends itself to the imagination and creativity of you, the client.

Its flexible and spacious proportions are such that it can play host to a range of events from awards dinners, exhibitions and conferences to the most extravagant of weddings.

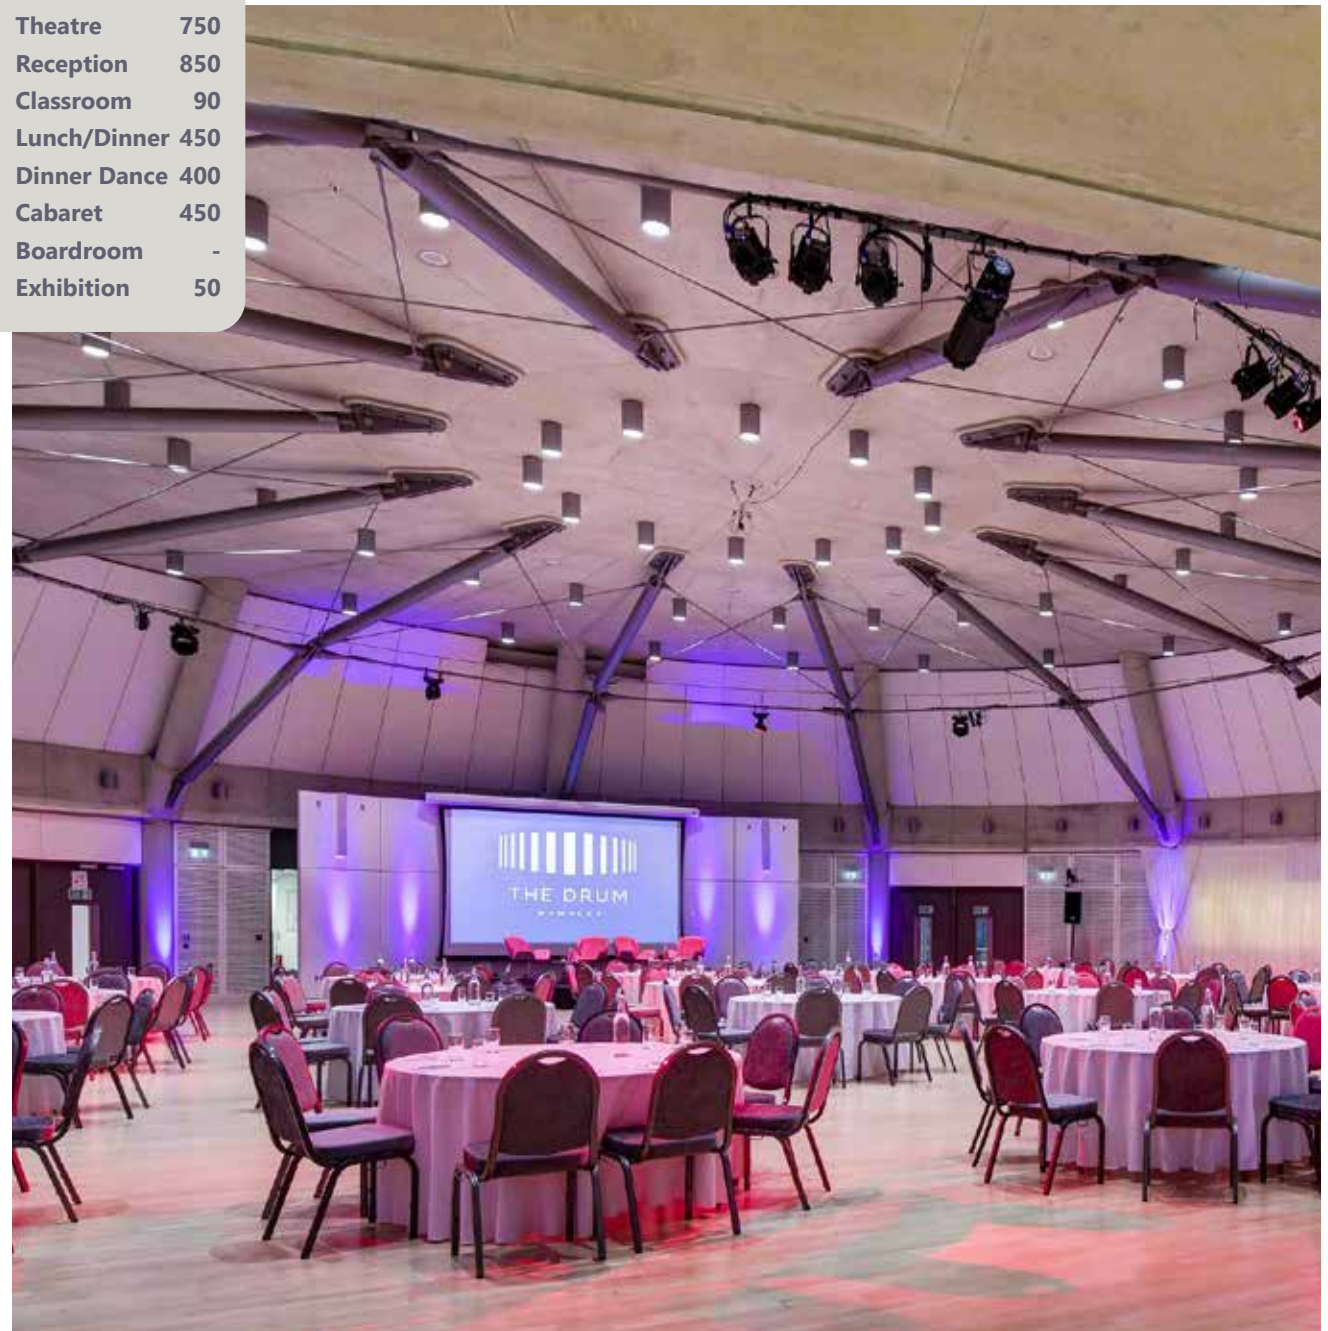

The hall benefits from natural daylight but can also be fully darkened for presentations and screenings. Staging can be located anywhere within the space - offering multiple layout options.

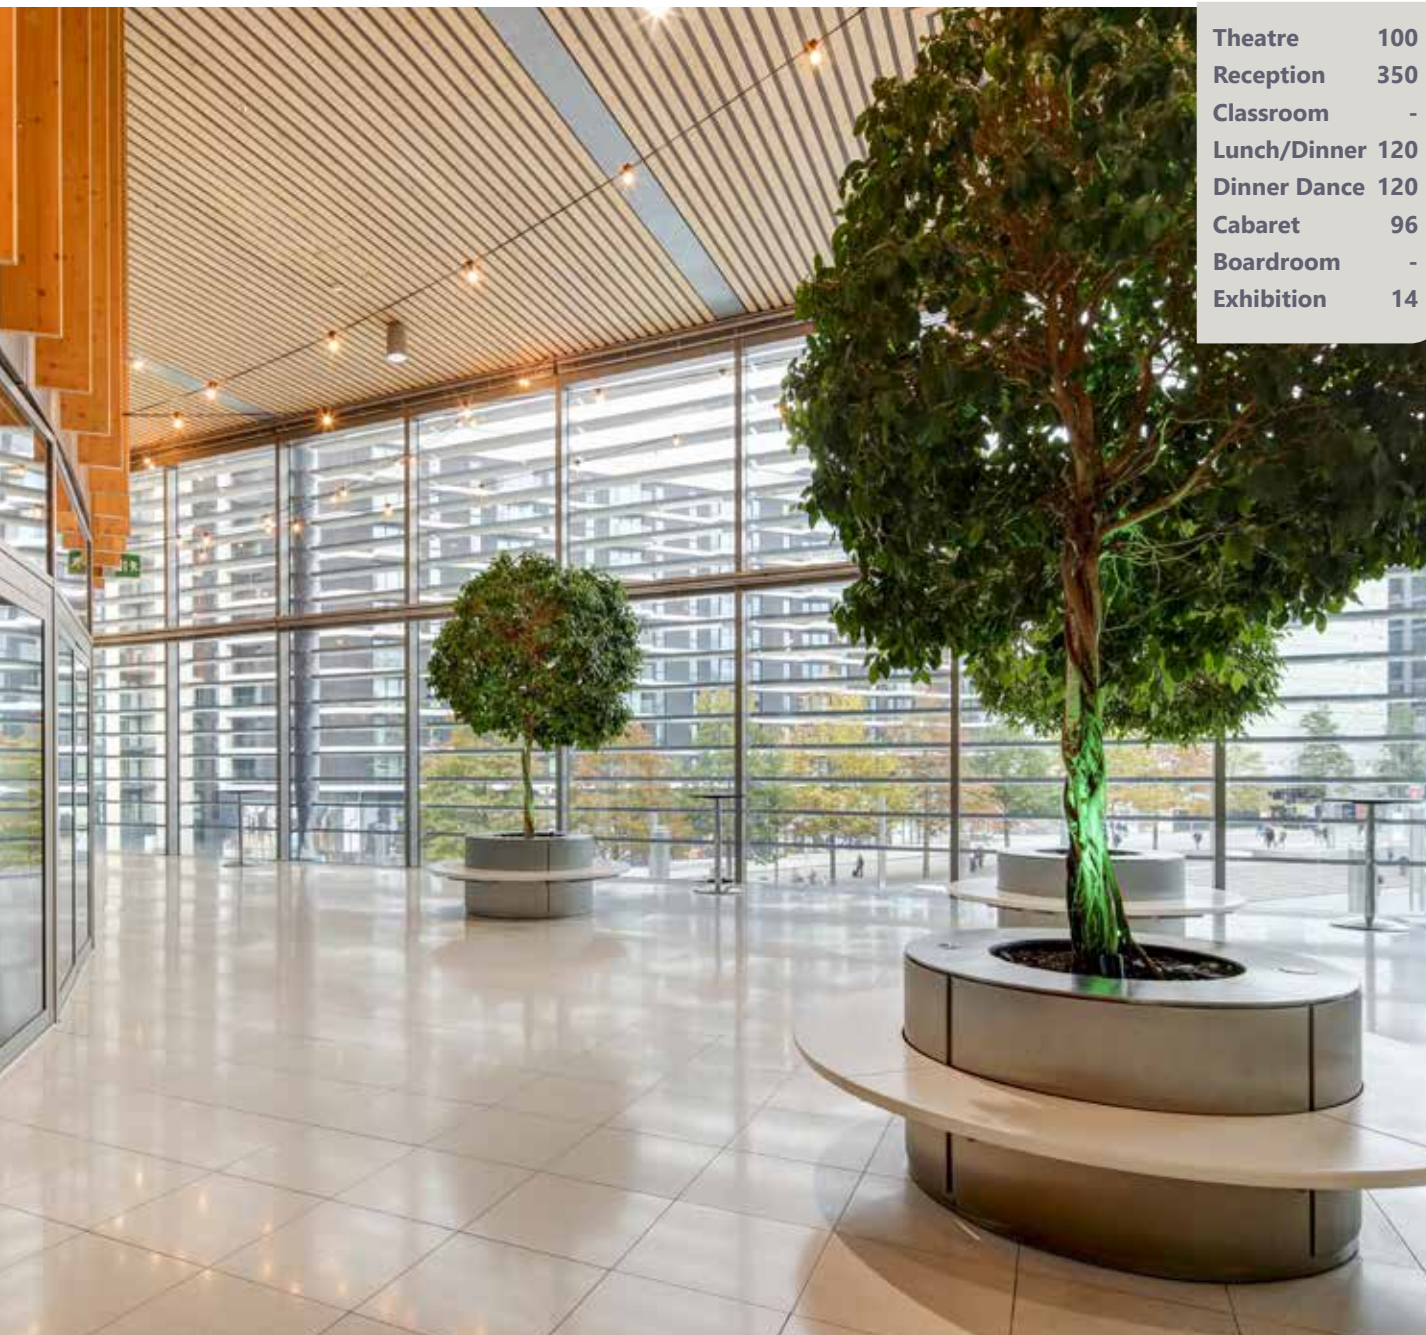

If more space is required, the adjoining Winter Garden offers further options and provides plenty of natural daylight in a beautiful serene area featuring planted trees.

In addition to the Winter Garden, Olympic View and The Bridge spaces can be hired in conjunction with The Grand Hall (or individually) thereby offering significantly more event space.

The ability to hire these spaces independently or together means the first floor of The Drum is a highly flexible event space that is suitable for almost any event for up to 850 guests.

THE WINTER GARDEN

The Winter Garden is a double-height space that majestically wraps around the south and east portion of The Drum. The space benefits from breathtaking views from its floor to ceiling windows.

The space is a fully enclosed, all-weather space and is ideal for networking events, exhibitions, pre-dinner drinks receptions or providing pre-event hospitality for the nearby Wembley Stadium and Wembley Arena.

The space can also be used to compliment larger events that are hosted in the adjoining Grand Hall - providing greater flexibility and capacity options.

Large trees with seating at the base provide greenery and atmosphere in this light and airy space, and the white marble flooring adds a touch of elegance - making it a space you can make your own.

THE BRIDGE

The Bridge is perfect for smaller fairs or markets, sample sales events, or as an additional space to complement The Grand Hall, Winter Garden and Olympic View spaces.

With floor to ceiling windows and bursting with natural light, this is an open and welcoming space. It can host 20-160 guests depending on the type of event held.

The Bridge overlooks both The Atrium space and features the Wembley Arch as a backdrop and the Wembley Area and Square below.

THE ATRIUM

As you enter the building, you are greeted by the magnificent Atrium space which soars upwards and is topped by a spectacular bubble roof six levels above.

The space is flooded with lots of natural light and the grand staircase doubles as amphitheatre seating from which audiences can view a variety of events taking place on the sweeping marble floor below.

The Bar, Melting Pot cafe and The Bridge on the first floor above The Atrium provide additional informal seating with vantage points of the foyer.

The foyer offers a great setting for displays, exhibitions, product launches, drama, music, dance or informal receptions.

THE PAUL DAISLEY GARDEN

Manicured gardens can add a different dimension to your event. Featuring a walled garden with pleached trees and a canopied seating area, The Paul Daisley Garden is an ideal space for guests to take business lunch and enjoy the tranquil space in between meetings or a space to entertain.

AUDIO VISUAL SERVICES

Our in-house AV service offers a wide range of AV equipment backed up with fully trained technicians for events held at The Drum.

AV technicians can cater for all types of events - ranging from simple requests such as providing a laptop and presentation clicker for a meeting to providing a full hybrid event equipment package.

We know that AV is crucial to the success of an event and our AV technicians and staff will recommend technical and creative ideas to enhance your event further whilst maximising your budget.
